

AIAG-VDA FMEA-MSRs Training Course Objectives

- Explain the purpose of conducting an FMEA-MSR and how it is related to a DFMEA.
- Explain the methodology of the AIAG-VDA FMEA-MSR process.
- Use the 5 T's to plan and prepare for an FMEA-MSR study.
- Work through each step of the 7 steps for conducting an FMEA-MSR.
- Use the FMEA-MSR Analysis Worksheet to document the results of the study.
- Customize the Severity, Frequency and Monitoring/System-Response Ranking Scales.
- Use the results of an FMEA-MSR to continue to reduce risk.
